Also in attendance was Councillor-Elect Daryl Littlefield and Councillor-Elect Donna Rogers. The Invocation was given by Borough Manager P. Michael Coll, followed by the Pledge of Allegiance to the Flag.

Consideration was given to the minutes of the November 4, 2019 Regular Borough Council Meeting and the November, 2019 Borough Council Work Sessions. A motion was made by Councillor Richard Godshall, and seconded by Councillor Jeffrey Gross, to approve the minutes as presented. The motion was approved.

Borough Manager P. Michael Coll reported that he received communication that the proposed winery use for the Freight Building has been withdrawn. The Borough will continue to market the building for lease.

Under presentations, Jim Hunsberger of the East Penn Modifiers Club noted that the club raised over \$1,300 from the car show held in the Community Park as part of the Souderton Police Community Night Out event. The club has decided to donate the proceeds from this event to Keystone Opportunity Center, Indian Valley Boys and Girls Club and the Bean Bag Food Program. The Bean Bag Food Program operates in conjunction with Zion Mennonite Church. The program is serving over 200 children in the Souderton area School District, providing backpacks filled with food for the weekend for the school children. For many children, the school lunch is their only meal of the day. The East Penn Modifiers Club presented the Bean Bag Food Program with a check in the amount of \$434.00.

Mayor John Reynolds noted that the annual Tree Lighting event will be held on Friday, December 6 and the annual Holiday Parade will begin at 11:00 am on Saturday, December 7. Mayor Reynolds further commented that this will be the last Borough Council meeting for Councillor Jeffrey Gross and Councillor Richard Halbom. Mayor

Reynolds expressed his personal appreciation for their service over the many years.

The Borough Solicitor's report for the month of November, 2019 was distributed to Borough Council. The Borough Solicitor advertised the enactment of the ordinance authorizing the park renovation general obligation loan and submitted all documentation to DCED for approval, which is expected to occur in December. The Solicitor prepared and advertised an ordinance amending the Souderton Borough Traffic Ordinance to provide procedures for designating handicapped parking spaces. The Borough Solicitor prepared and submitted documentation for approval of the Tax Anticipation Loan. The Solicitor is working with the Police Chief in determining eligibility of veteran preference points for police officer candidates.

Public Works Director Steve Coll distributed his report of public works activities for the month of November, 2019.

Borough Manager Michael Coll noted that this will be the last meeting of Borough Council for 2019. There will not be any work sessions during the month of December. The Souderton Planning Commission will be meeting on December 4, 2019 to review concept plans for the remainder of the Berkeley Court development. The Zoning Hearing Board will meet on Thursday, December 12, 2019 to consider a variance request to construct an attached garage to a single family dwelling at 521 Harleysville Pike. The Zoning Hearing application for 415 E. Broad Street was withdrawn by the applicant. The Borough Manager noted that the Borough office will be closing at noon on December 24 and at noon on December 31 for the Christmas and New Year's holidays. The next meeting of Borough Council will be held on Monday, January 6, 2020 which will include both the Reorganization Meeting and the regular Monthly Meeting.

The Borough Manager discussed the agenda items scheduled for consideration. The first item concerns formal consideration of an Ordinance to amend the Traffic Ordinance to permit the establishment of handicapped parking spaces by Resolution of Borough Council. A Resolution has been prepared to formally adopt the 2020 Budget for the Borough of Souderton for the 2020 calendar year. The Budget was advertised and has not been revised since it was presented at the November Borough Council meeting. The 2020 Real estate Tax Ordinance has been advertised for formal consideration. The tax rates will remain at current levels through the 2020 calendar year. The Borough Solicitor prepared a resolution authorizing the \$250,000 Tax Anticipation Loan for 2020. The budget anticipates repayment of the loan early in the second quarter of the year. A new development plan is under review to construct an auto parts store on the former Pizza Hut property at the corner of County Line Road and Route 113 in Hilltown Township. The development will require revisions to the traffic signal at County Line Road and Route 113 which is owned and maintained by Souderton Borough. The developer will be responsible to complete all modifications, but the Borough will need to formally authorize the revisions by Resolution. The Borough Manager clarified that the initial cost

of the traffic signal revisions will be at the expense of the developer, but continuing maintenance will be the responsibility of the Borough. Following enactment of the Traffic Ordinance amendment, a Resolution has been prepared to formally designate a handicapped parking space in the vicinity of 29 N. Fourth Street. Appointment recommendations include Marvin Anders as the Souderton Borough representative to the North Penn Water Authority; William Collier to another three year term on the Zoning Hearing Board and the designation of Styer Associates to serve as the Borough Auditor for the year ending December 31, 2019.

Councillor Daniel Yocum noted that Generations will be holding their annual Reindeer Run on Saturday, December 7 and the Perseverance Volunteer Fire Company will be hosting Santa on Christmas Eve throughout the Borough.

Councillor Jeffrey Gross reported that the Borough received and planted another 12 trees from the Pennsylvania Horticulture Society. Through this program, we were able to plant over 200 trees throughout the Borough. Jeff Gross indicated that he will be happy to continue to assist the Borough with future applications.

Consideration was given to paying the bills for the month of November, 2019.

Council President Brian Goshow commented that this will be the last meeting for two members of Borough Council. Councillor Jeffrey Gross has been a member of Borough Council for 12 years replacing former Councillor Roy Zeiher. Councillor Richard Halbom replaced former Councillor Ray Yothers and has been serving on Borough Council since 2008. Both Borough Councillors served through a tough financial period in 2007 and 2008, but we were able to keep the Borough moving forward. The Community Pool project was approved by a 5 to 4 vote and has proven to be a very successful project. Councillor Jeff Gross was very instrumental in developing the architectural details for the train station project and Councillor Rick Halbom has devoted time in representing the Borough on the Montgomery County Recycling Commission.

Councillor Richard Halbom commented that he enjoyed the fellowship and has been truly humbled by all of the volunteers that serve this community. During his tenure on Borough Council he practiced good financial stewardship, is proud to be a part of the appointment of Police Chief Leary and is proud of the many revitalization achievements. He assisted in the negotiation of the SEPTA lease for the train station properties and through his contacts managed to move the stalled negotiations to a successful conclusion. He is also very proud of the single hauler trash service. Rick Halbom noted that he looks forward to continuing to serve this community in other capacities.

Councillor Jeffrey Gross expressed that it has been an honor to serve on Borough Council and appreciated working with the many members. The projects that were

completed speak for themselves and he feels that the community appreciates our efforts. He thanked everyone for the privilege to serve and will continue to serve as a member of the Souderton Planning Commission and a volunteer on the Souderton Park renovation project.

There being no further business, the meeting was adjourned at 8:05 pm.

Respectfully submitted,

P. Michael Coll, Secretary
