PLUMBING PERMIT PROCEDURES

A plumbing permit is required for new construction, renovations and alterations.

Location of Property – Complete address including city, state and zip code must be provided on all applications.

Complete this section.

Sign and date application. If property resident is not the owner of the property, a notarized statement indicating the owner's approval of the proposed construction must be submitted with the application. Provide phone numbers where property owner/resident and or contractor may be reached.

PLANS AND SPECIFICATIONS

Two (2) copies of all plans and specifications must be submitted with all applications for plumbing permit.

Contractor State License Number required for all home improvement work.

All grinder pumps outside of structure require approval from the Borough of Souderton Sewer Authority.

ADDITIONAL INFORMATION

FEES – Permit fees must be submitted with the permit application. If paying by check, please make check payable to "Borough of Souderton".

REVIEW – The application will be reviewed by the Code Enforcement and Zoning Departments for compliance with all the Borough of Souderton codes and ordinances and the State UCC.

PERMIT GRANTED – Work may not start until a permit has been approved and granted. The permit cards are to be displayed so as to be visible from the street.

INSPECTIONS – Call the Borough office (215-723-4371) at least 24 hours in advance to schedule each inspection. Responsibility for notification for inspections at the various stages of construction lies with the applicant and/or contractor. If the appropriate inspections are not requested, uninspected work will not be granted final approval. If an inspection fails twice for the same code violation, a reinspection fee will be required prior to a third inspection.
